

Dear Prospective Homeowner,

Habitat for Humanity of the Greater Wenatchee Area, your local affiliate of Habitat for Humanity International, has a mission to provide safe and affordable homes for individuals and families in need in the greater Wenatchee and East Wenatchee area. Thank you for your interest in applying for homeownership through our program.

Habitat for Humanity is a nonprofit Christian housing ministry, funded through corporate and private donations, grants and our Habitat for Humanity Store. We utilize skilled builder management, volunteer labor and in some cases donated supplies and equipment to build safe, comfortable and affordable homes for lower income families. By partnering with us, the future homeowner(s) actively works on the construction of their own home funded by our organization. In turn, we sell the home to the future homeowner(s) through an affordable interest mortgage paid back over time, typically between 25 and 30 years. We know that offering our future homeowners a hand up, not a hand out, means an improved living environment where the family can grow and thrive.

The selection of Habitat Homeowners is not done by one person, rather it is completed by our Homeowner Selection Committee in a way that does not discriminate on the basis of race, sex, color, age, handicap, religion, marital status, familial status or because all or part of the applicant's income is derived from a public assistance program. All information is considered confidential and is used only for family selection purposes. Please see the non-discrimination policy and information in our application packet.

Please review all of the information in the enclosed application packet. If you are interested in submitting a completed application for our program please ensure that you have read and understand all of the information enclosed, fill out the application form completely and provide copies of all of the documentation requested.

We are here to help you. If you need assistance completing the enclosed application or if you have any questions, please call our office at (509) 663-1889. Please return your completed application packet to our address below. Our office is located inside of Grace Lutheran Church on the corner of Washington and Elliott streets.

Thank you for your interest in our program!

Sincerely,
Habitat for Humanity of the Greater Wenatchee Area

HOMEOWNER SELECTION PROCESS
FISCAL YEAR 2019/20
HABITAT FOR HUMANITY OF THE GREATER WENATCHEE AREA

Habitat for Humanity has the following selection criteria to objectively select future homeowners.

Please consider if your situation demonstrates these qualifications:

1. A **need** for adequate shelter, which can range from overcrowding to structural issues.
2. Household income and the **ability to pay** the mortgage, real estate taxes and homeowner insurance based on our income criteria as indicated below under *Household Income Limitations*.
3. The **willingness to partner**. This includes completing up to 500 hours of sweat equity, participating in training sessions that are offered, demonstrating commitment and responsibility, agreeing to our construction standards and being a responsible partner.
4. The applicant should demonstrate a debt to income ratio such that they qualify to be a recipient of a mortgage according to current state and federal lending regulations.
5. Each applicant must be a U.S. Citizen or a Legal Resident of the United States.

HOUSEHOLD INCOME LIMITATIONS

Household Size		1 Person	2 Person	3 Person	4 Person	5 Person	6 Person	7 Person	8 Person

	Minimum Monthly Income Level	\$1,597	\$1,827	\$2,220	\$2,280	\$2,463	\$2,647	\$2,830	\$3,010

	Maximum Annual Income Level	\$2,395	\$2,740	\$3,080	\$3,420	\$3,695	\$3,970	\$4,245	\$4,515

Please read the following items to see if you have a continued interest in our ministry and determine whether your situation might meet our general guidelines:

- To apply, please complete the Habitat Homeownership Program Application attached. Our affiliate requires completion of the full homeowner application thoroughly and truthfully, with all the necessary details regarding the qualifying criteria discussed previously. All persons over the age of 18 who will be living in the household are required to include their income, expenses, assets and debts on the application if their income is included in Section 7 of the application. Upon receiving your completed homeownership application and required documentation, our affiliate will proceed with the assessment process.
- If it is determined that you do not qualify for a Habitat home (unable to meet any of the qualifying criteria) throughout any step of the application and assessment process you will be notified by the affiliate.
- Based on information you provide on the application and with your permission, we will perform necessary verifications, such as employment income history, other income, checking and savings account balances, obtaining a credit report and other credit references, and a statement from your current and previous landlords.
- The Habitat income guidelines are based upon total gross income from all sources and limits are established annually based on HUD guidelines. Habitat services future homeowners with total annual household income within 40% - 60% of the Area Median Income (AMI) for the household size using different mortgage options based on the *Household Income Limitations* as shown in this document. Household income is the combination of all sources including but not limited to earned income, disability, social security, pensions, child support, alimony or other sources.

The process of application includes the following:

- Once all of the application documents are received in full, it will be evaluated by our Homeowner Selection Committee.
- If it is determined that you meet all qualifications the next step is an in-home visit made by members of the Homeowner Selection Committee. Home visits are not limited to one occasion. The purpose is to confirm the need for adequate shelter, an opportunity to review Habitat's ministry and your applicant's requirements for obtaining a home through our program, and to

assess your willingness to meet the obligations to work with our affiliate as a future homeowner. The home visit does not infer selection into the program.

- Once our homeowner Selection Committee makes a final determination on applicants who have completed the initial review process they refer all qualified applicants to our Board of Directors. The Board of Directors makes final selections based on our available funding, the applicant's application, level of need and all equal opportunity lending regulations.
- Once the Board of Directors has made their final determination of potential homeowners those applications will, with your permission, be forwarded to a pre-selected third party mortgage origination firm that we work with for qualification for our program. Our mortgage origination firm will look at mortgage product options including but not limited to USDA Rural Development affordable financing and Habitat for Humanity Michigan Fund financing. This part of the process will include steps that utilize the information that you have provided our affiliate with your application but may also require additional information for evaluation or clarification purposes by our mortgage origination firm.

What's next if you are selected to become a future homeowner?

- Once selected to partner with Habitat each future homeowner will receive a Letter of Acceptance in to the program. This letter explains many details of the program and must be signed and returned to the affiliate along with other documents including a sweat equity policy and photographic release authorization. The Letter of Acceptance is an agreement to partner and is NOT considered a sales contract at this phase of the process however it does include information about the obligations of both Habitat and the future homeowner for the purposes of the partnership.
- Habitat is a volunteer-driven organization. As part of the partnership all adult (18 years and older) household members are required to put in up to a total of 500 hours of sweat equity (volunteer time) on their home or related Habitat projects or at the Habitat for Humanity Store. Our affiliate will assign a mentor to each future homeowner who will work with them to determine potential sweat equity opportunities. Sweat equity requirements are detailed in our sweat equity policy and will be discussed more fully with future homeowners after selection.
- As part of the partnership, you will also be asked to participate in training programs including but not limited to budgeting and financial, home maintenance and repair, and homeownership training. Training programs may be in person at designated training locations or online and will count as sweat equity hours for the future homeowners.

- Habitat homes are modest in size to suit the size of those in the household and are built to ensure affordability. Three bedroom homes are approximately 1,170 square feet and four bedroom homes are approximately 1,300 square feet in size. Habitat home size and location is selected by the affiliate and is built according to our Basic House Description. Homes may be single-family houses or multi-family units within a complex. There are limitations as to finishes, styles, available vacant lot parcels and options, which will be discussed with you as you enter the program. Please note that it is becoming increasingly difficult to find affordable vacant housing parcels in this area so lot locations are at the discretion of the affiliate.
- Habitat is the licensed builder of the home and sells you the home as part of our affordable homeownership program. The mortgage term and monthly mortgage payment is adjusted specifically for your household so that your mortgage payment does not exceed 30% of gross monthly household income at the time of closing. Your mortgage payment will include a principal payment, any interest, property taxes and homeowner insurance. Your mortgage is arranged through a pre-selected mortgage servicing organization, i.e. Habitat for Humanity Michigan Fund or USDA Rural Development.
- Future homeowners are generally selected 6 to 12 months prior to the start of construction of their home. This is to allow the homeowner(s) time to begin working on their sweat equity hours. Sweat equity hours begin accumulating only after the Letter of Acceptance has been signed. Volunteer hours worked with Habitat prior to the signing of the Letter of Acceptance are not counted toward future homeowner sweat equity hours.
- Once the future homeowner is assigned a location and the construction process has begun it typically takes 4 – 6 months to complete by volunteer labor, skilled trades people and a skilled Construction Manager who is an employee of our affiliate.

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status or age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The federal agency that monitors compliance with this law concerning this company is the Federal Trade Commission, with offices in the Northwest region, 915 Second Ave, Room 2896, Seattle, WA 98174 or Federal Trade Commission, Equal Credit Opportunity, Washington, DC 20580.

Accordingly, if you receive income from these sources and do not provide this information with your application, your application will be considered incomplete, and we will be unable to invite you to participate in the Habitat program.
