New Home Underway in Rock Island

On September 10th we broke ground on our 46th home the greater Wenatchee Valley! Our newest home will be built next door to our recently completed home in Rock Island (see page 2 for dedication information).

Maggie Garrison and her children Isabella and Carlos were introduced at **the Morton's dedication last month** and they are excited that construction is starting on their new home!

We are always in need of helping hands on our projects, so please contact us if you would like to get involved!

New Habitat for Humanity® Store Location!

On July 5th we opened our doors in a new and improved location! We moved into the space next door to our old store and nearly tripled our floor space and have room for much more inventory than before.

We hope that you will come by and see what we have for your home improvement needs. Also, if you have usable items taking up space in your garage, attic or storage area think about donating it to us for a tax deduction!

Morton Family Home Dedication

On August 16th we celebrated the completion of our 45th home with a dedication ceremony for Gary & Jane Morton and their two daughters. The Morton's were presented with the keys to their new home as board members, volunteers, donors, family and friends joined in the celebration on a beautiful, sunny summer day in Rock Island.

Our Sincere Thanks To...

Building homes, building hope, one family at a time.

And The Winner Is...

Habitat for Humanity and *We Love This Town* worked together to raise funds for building more homes in the Wenatchee Valley by selling raffle tickets for a chance to win a choice of a car or \$15,000 **cash. Thanks to everyone's hard work we sold 2,699 raffle tickets and raised \$6,500!**

On September 1 we drew the winning ticket and made the announcement live on the radio.

WE ♥ THIS TOWN
